Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 3.

If “yes,” specify: _____

Notes

- ¹ New name, effective July 1, 2023, of the Department of Political Science.
 - ² This Academic Map includes 24 hours in a minor field of study. Minor requirements range from 15 to 26 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student’s choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number required to complete the program.
 - ³ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.
 - ⁴ PSCI 1330 is a prerequisite for all upper-division Political Science courses and satisfies the American History & Government requirement in the LD UCA Core.
 - ⁵ Students pursuing the BA in International Studies will complete related course requirements consisting of six credit hours in a foreign language at the 2000 level or higher. Students with no previous experience with a foreign language many need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need will require adjustment of General Elective hours in the plan. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.
- Students with prior language experience in Spanish, French, or German that is not AP credit, should take the free language placement exam from any computer by visiting uca.edu/wlan/placement before registering for classes and enroll in the level of their placement. For students with prior language experience in Chinese or Japanese, email llc@uca.edu for placement and for information on how that placement may lead to additional Credit by Examination.

Notes – continued

⁶ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science should be taken in the first two years if possible. MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of Political Science](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁷ Choose one of the following course options: ANTH 2300, ENGL 2305, 2306, GEOG 3300, or LING 2350.

⁸ International Studies has been divided into three concentrations: (1) International Affairs & Security, (2) International Development and Globalization, and (3) Regional and Cultural Studies. Students must complete a minimum of eighteen hours of upper-division elective courses within their selected concentration: six courses at the 3000-level or above from one of the three International Studies concentrations, including at least two courses at the 3000-level or above from the political science offerings.
