Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

If “yes,” specify: _____

Notes

¹ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

² MATH 1360 should be completed in the first year in either the first or the second semester. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

³ Option 1: Qualitative (3–6 hours)

Successfully complete six hours of any foreign language(s) at any level or sign language or computer programming language; or, if qualified, successfully complete a 2000-level or upper-division foreign language course (excluding 2340 and 2V12).

Students with no prior language experience should enroll in SPAN 1310, FREN 1310, GERM 1310, JAPN 1310, or CHIN 1410. Students with previous language experience (including high school courses) should take the placement exam administered by the School of Language and Literature and enroll in the level of their placement. Students may apply for up to six (6) hours of credit by examination in Spanish, French, German, or Japanese and up to 8 hours in Chinese for coursework below the level of placement as outlined in the Placement and Credit by Examination policy.

Notes – *continued*

In cases of unusually thorough preparation, or in the case of international students, exemption may be sought from the School of Language and Literature. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

Option 2: Quantitative (6–8 hours)

Two (2) classes in mathematics and/or laboratory science in addition to the lower-division core requirements. Science classes do not have to be in the same area. Students may take one mathematics course and one science course.

⁴ A total of 9 elective hours are required for the major. Elective courses are listed in the *Undergraduate Bulletin* and on the Journalism checklist.

⁵ This Academic Map (AMAP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 26 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.
