**Scholarship recipients:** Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 1.

**General Note**

All courses with an asterisk (\*) and all nursing courses (NURS) listed in this Academic Map (AMAP) must be completed with a minimum grade of “C.” The course requirements detailed in this AMAP are specific to the UCA BSN degree program. Students seeking admission to another nursing program or other UCA majors are responsible for knowing the specific requirements for that program.

**Notes**

<sup>1</sup> See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://scholarships.adhe.edu/scholarships-and-programs/a-z/>.

<sup>2</sup> Courses listed for Year 1 and Year 2 are prerequisites to the nursing major. Admission to UCA as a pre-nursing major does not guarantee admission to the nursing major, which begins in summer Year 3. Students must apply and be accepted to the major. Applications are open February 15 and are due March 15. See [uca.edu/nursing](https://uca.edu/nursing) for a complete list of major admission requirements and degree requirements.

<sup>3</sup> BIOL 1410 and 2410 or equivalent courses will meet the UCA BSN degree requirements. Parts I and II of the sequence must both be completed at the same institution.

<sup>4</sup> See appropriate choices, alternatives, or substitutions for the lower-division UCA Core (LD UCA Core) under “UCA Core” in the *Undergraduate Bulletin*. Upper-division UCA Core (UD UCA Core) requirements are integrated into the nursing curriculum.

<sup>5</sup> FACS 2341 or PSYC 2370 are accepted for the UCA BSN degree.

<sup>6</sup> Although CHEM 1402 is preferred, CHEM 1450 will also meet the UCA BSN degree requirement and the LD UCA Core Lab Science requirement. CHEM 1301 and CHEM 1400 do not satisfy BSN degree requirements.
