Scholarship recipients: Please be aware of eligibility criteria for your scholarship(s). In particular, pay attention to (1) the enrollment requirements each semester for disbursement of your scholarship(s) and (2) the number of hours and GPA required each semester and/or year for renewal of your scholarship(s). Some Academic Maps may suggest enrollment in fewer hours than required for disbursement of your scholarship(s). In such cases, work with your academic advisor to adjust your schedule to meet requirements most efficiently. Contact the Office of Student Financial Aid at (501) 450-3140 with any questions regarding enrollment/renewal requirements of your scholarship(s). For online information resources, see endnote 3.

¹ New name, effective July 1, 2023, of the Department of Political Science.

² This Academic Map includes 38–39 credit hours of general elective, hours that the student may use to complete a minor field of study or, in consultation with the BPA program director, courses from other programs to meet their career interests as well as the 120-credit hour requirement.

³ See online information resources for UCA scholarships at <https://uca.edu/scholarships/> and for state scholarships at <https://sams.adhe.edu/>.

⁴ PSCI 1330 is a prerequisite for all upper-division PSCI and PADM courses, and it satisfies the American History & Government requirement in the UCA Core.

⁵ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP,

Notes – continued

AP, transfer, etc.) may substitute that course for MATH 1360. However, a student who has not completed a 1000-level MATH course must enroll in MATH 1360.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of Political Science](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁶ Students who have already earned credit for another 1000-level MATH course (i.e., concurrent credit, CLEP, AP, transfer, etc.) may substitute that course for MATH 1360.

⁷ Students must take at least two courses (six hours) of the required three (nine hours) from the PSCI/PADM courses listed in this issue area, excluding PSCI 4334.

⁸ Students must take at least one course (3 hours) of the required two (six hours) from the PADM courses listed in this issue area.

⁹ Students may, alternatively, meet the six-credit hour requirement by completing two internships using PADM 4310. Consult with the BPA program director for options.
