

UCA's Beta Alpha Psi Chapter Welcomes You to the UCA College of Business

We are delighted that you are here. Please stop by the Beta Alpha Psi table in the lobby. We'd like to meet you, assist you at the CPE event today, and tell you more about the UCA Accounting Club and Beta Alpha Psi. We are planning events for the spring semester and welcome you to join us! There are many ways to get involved, including being a mentor. A student would greatly benefit from your guidance.

To learn more about becoming a mentor or getting involved in other ways, such as leading a professional meeting or participating in a service activity, complete the online survey at ucabetaalphapsi.org/empowerments.html or use this QR code.

Accounting Club and Beta Alpha Psi Members Would Like Your Input!

We have a few questions on technology use and career success. We would appreciate your reply to one or more of the following questions. An anonymous donor will donate 50 cents to the Dolly Parton Imagination Library for each reply received, up to \$25 per question. In total, we could raise enough money to provide 100 books for children in Faulkner County. Use the website or QR code above to answer these questions online.
