SUBJECT: Arkansas Council of Teachers of Mathematics (ACTM)
Regional Math Contest, Saturday, March 2, 2019
University of Central Arkansas (UCA)

The Mathematics Department at UCA will host the Central Arkansas Regional Mathematics Contest, sponsored by ACTM, on **Saturday, March 2, 2019**. Secondary school students enrolled in any one of the following courses are invited to participate: **Algebra I, Geometry, Algebra II, Trig/Precalculus, Calculus, and Statistics**. Trophies will be awarded to students placing first, second, and third in each subject. These students, along with others from a statewide pool of high scores, will be invited to participate in the state contest on Saturday, April 27, 2019, on the UCA campus. The ACTM awards scholarships for the State Contest winners in Algebra II, Precalculus, Calculus, and Statistics. The first, second, and third place winners will receive \$600, \$400, and \$300, respectively.

Registration is open now through Monday, February 25. The electronic registration form is located at www.uca.edu/ACTM/Registration. Accurate and timely registration is crucial to contest preparation and check-in procedure as well as proper state contest invitation addresses. Sponsors and teachers who allow students to register themselves, please be sure that students know your first and last name as well as your email address before registering. You will receive a confirmation email for each student who registers.

A registration fee of \$2.00 is charged to each student. No additional fee is required for participation in the state contest. **Please mail the \$2 registration fee per student to the address below by Monday, February 25. Make the fee payable to ACTM in the form of a check or purchase order.**

Conway, AR 72035.

A sponsor or parent must accompany students to the regional and state contests. Students need to bring their own calculator and pencil. Tests will be administered in the Mathematics/Computer Science Building at UCA (three buildings west of Donaghey Ave.). The doors will be opened at 9:15 a.m. and room assignments will be posted in the lobby. All students should be in the appropriate testing room no later than 9:45 a.m. The test will begin promptly at 10:00 a.m. Students must remain in the testing room until time is called at 11:00 a.m. An award ceremony will be held at 1:00 p.m. in Doyne Health Science Auditorium.

Contest guidelines, calculator regulations, previous tests, registration forms (both electronic and traditional), and other information may be found on our website at www.uca.edu/math. We encourage sponsors to post contest details on Ed-Line or other forms of electronic communication. If you have any questions, please do not hesitate to contact a regional coordinator:

Dr. Pinchback at 450-5656 or carolinp@uca.edu; or Mrs. Booher at 450-5654 or loib@uca.edu.

We look forward to seeing you!
