

# DIRECTIONS TO THE UCA WELCOME CENTER

Visitors to UCA's Campus for tours are provided with convenient reserved parking spaces near our Donaghey Welcome Center. The Welcome Center is located on the east side of Donaghey Hall.

Follow these directions to reach the reserved parking area for Admissions visitors and guests. (Also, look for directional signs pointing the way along the route).

1. Enter campus from Donaghey Avenue on the east side of campus and go approximately 0.8 miles until Donaghey Hall is on your right - just across from Thompson Hall and the Harding Centennial Plaza (i.e., the fountain).
2. Turn right into the entrance located next to Twisted Taco. There you will find reserved parking for you designated by purple lined parking spaces. Individual parking spaces are also marked on the pavement with "Visitor Parking".
3. Then, place your parking pass in your driver side window to be displayed. Walk to the center of Donaghey Hall where you will see the main entrance to the Welcome Center marked by an awning displaying "UCA Welcome Center".
4. Walk inside to check in at our front desk and enjoy your visit!
