CARRIE MARTENS, MM

"Mrs. Martens is always willing to help and go the extra mile for you. There is no one that more knowledgeable in her field."

CHERYL THEALL, BSE

"My advisor has been the glue that keeps me on track as a Non-traditional student, without her I would not be able to graduate a semester early this December."

CHELSEA ADAMS

"In our most recent meeting, she was able to teach me how to register for classes. This was an extremely important thing that I did not know, but she was kind and patient enough to teach me."

JESSICA REMETIC, MBA

"I truly cannot say enough amazing things about Jessica Remetic I was on the fence about going back to school and met with her this summer. She was so amazing and encouraging from the get go I don't know if I would have went back to college had I not met with someone with that kind of energy. I am so thankful for her advice through this semester."

DR. CELESTE CHURCH

"Dr. Church has made my return to school as a readmit student far less stressful than I was mentally preparing myself for! She was very thorough and kind, and her help made this process run super smoothly."

ADRIIAN GARDNER

"We discussed the declaration of my major, we were able to have a nice long talk about careers and how they tied in with passion and overall fulfillment. We got all of the business stuff out of the way fairly quickly and then were able to just enjoy a good talk for the rest of the appointment."

BRIAN MALLORY

"He is absolutely fantastic and you can tell he truly cares about his job. He was really cool and helped me out a lot. He talked to me about study abroad, which was really informative."
