## **JEREMY THOMAS, MS**

"Literally every interaction. He is so good at his job. My emails are responded to most of the time within the hour and he is so understanding about everything. I have a lot of questions and he is able to answer all of them. I tell everyone that I have the best advisor."

## **EMILY HALL**

"I really enjoyed how Ms. Hall went through everything with me while discussing my schedule for next semester. She was really nice during the whole meeting and made sure that I understood everything she told me. Ms. Hall really paid attention to any concerns that I had and answered all my questions. She also helped me be able to reach out to other professors and departments if I had questions she didn't know that well."

## **LEIGH ANN DENHARTOG, M.ED.**

"Many of my interactions with Leigh Ann were very helpful, and many recent meetings have helped me out of difficult decisions with much better outlooks and results than if I had to do it myself. She has been phenomenally helpful, and I owe them a great deal for how much they have helped me."

## **CATHERINE LYONS**

"She is encouraging and very knowledgeable on what classes need what prerequisites. Very prepared for meetings. She's super understanding and someone that I can always go to with any concerns."
