Retention, Graduation, and Job Placement

Retention			
		Fall to Spring	
Term	Cohort	#	%
Fall 2021	18	16	89%

Note: Retention is defined as still at the university with an Interior Design major in the first term.

Time to Degree*									
				3 Year		4 Year		5 Year	
Fiscal Year	Graduates	Average Years		#	%	#	%	#	%
2020-21	15	4.14		8	53%	5	33%	2	13%

*Time to Degree is calculated for students receiving a bachelor's degree who entered UCA as a full-time, first-time undergraduate.

Graduation			
		6 Year	
Term	Cohort	#	%
Fall 2015	16	5	31%

Note: Graduation is based on students who received a BA or BS in Interior Design and started at UCA as a full-time, first-time undergraduate

Job Placement		
2020-2021		
IDSN Graduates	24	
Outcome	5	
Knowledge Rate	20.8%	
Outcomes	#	%
Full-time Job*	2	11.1%
Graduate School	1	5.6%

Note: OIR looks to see a person's latest reported status six months post-graduation. A graduate might have more than one outcome: graduate school enrollment, employment, volunteering, self-employment, seeking employment, and seeking graduate school enrollment. Knowledge rate is the percentage of graduates we know an outcome for.

*Job includes employment and self-employment.
