BLUE + BLACKBOARD LEARN

AN END-TO-END INTEGRATION THAT DRIVES BETTER ENGAGEMENT IN COURSE EVALUATIONS

Blackboard

WE ARE LEADERS IN BLACKBOARD LEARN APPLICATIONS

Focused on helping institutions strengthen student engagement, we've developed a best-in-class integration that embeds Blue[®] course evaluations directly into the Blackboard Learn[™] platform. This integration simplifies the course evaluation experience by making forms easily accessible. Students can seamlessly view, access, and complete course evaluations without ever leaving the Blackboard Learn portal.

AN IMPROVED USER INTERFACE WITH MULTIPLE ACCESS POINTS

We're using LTI[™] integration with native Blackboard Learn functionalities to create a streamlined end-to-end user experience. Direct links will give students quick access to course evaluation forms that they can complete inside Blackboard Learn.
