

LSU-UCA Course Equivalents

LSU Core Prerequisites	UCA Equivalent
English Composition I & II ¹	WRTG 1310, 1320, 2310, 2315, 3301, OR 3310
College Algebra ²	1390 COLLEGE ALGEBRA
Plane Trigonometry ²	1392 PLANE TRIGONOMETRY
General Biology I	1440 PRINCIPLES OF BIOLOGY I
General Biology I Lab	<i>(included in above course)</i>
General Biology II	1441 PRINCIPLES OF BIOLOGY II
General Biology II Lab	<i>(included in above course)</i>
General Microbiology w/ lab	3420 GENERAL MICROBIOLOGY
General Chemistry I & II	1450 COLLEGE CHEMISTRY I & 1451 COLLEGE CHEMISTRY II
General Chemistry Lab	<i>(included in above course)</i>
Organic Chemistry	2401 ORGANIC CHEMISTRY I
Biochemistry ³	3300 PRINCIPLES OF BIOCHEMISTRY
Physics I	1410 COLLEGE PHYSICS 1
Physics II	1420 COLLEGE PHYSICS 2
Speech Communications	1310 PUBLIC SPEAKING OR 3307 INTERPERSONAL COMMUNICATION

1 - Applicants can take any two of the course listed above. Honors Core I and Core II could also be accepted as the English Composition requirement.

2 - A Calculus course (such as MATH 1591) in combination with a Statistics course (such as MATH 2311) would suffice as a substitution to Algebra & Trigonometry.

3 - Students would still need to take the CHEM 3411 course in order to meet the prerequisites for the CHEM 3300 at UCA, even though the LSU SVM does not require the second Organic Chemistry.

Note - Potential applicants to the LSU SVM as well as any other accredited SVM can find much more information on the schools' websites, starting with the AAVMC website (www.AAVMC.org).

IMPORTANT DATES & DEADLINES - VMCAS application deadline is October 2nd. Potential applicants are encouraged to visit the LSU SVM Admissions web page frequently for up-to-date information. 2009-2010 application information is now available on the LSU SVM website.
