

## INVITED SPEAKERS

# Biology Seminar Series

## Spring 2020

### Cell Biology seminar 1

Tuesday, January 21 @ x-period, Room 170 LSC

### Cell Biology seminar 2

Thursday, January 23 @ x-period, Room 170 LSC

### Cell Biology seminar 3

Monday, January 27 @ Noon, Room 170 LSC

### Josh Nilz and Maurin McCullough

University of Central Arkansas Alumni

Friday, January 24<sup>th</sup> @ Noon, Room 170 LSC

*Boobies, Crabs, and Charles Darwin: Following the footsteps of evolution*

### J.D. Gantz, PhD

Hendrix College

Friday, February 7<sup>th</sup> @ Noon, Room 170 LSC

*Chillin' with maggots: the physiology and natural history of the only insect in Antarctica*

### Jordan T. Bird, PhD

University of Arkansas for Medical Sciences

Friday, March 13<sup>th</sup> @ Noon, Room 170 LSC

*A closer look: Molecular omics at a single cell resolution*

### Kusum Naithani, PhD

University of Arkansas

Friday, April 3<sup>rd</sup> @ Noon, Room 170 LSC

*Community based management approach for sustainable development of a tropical agroforestry program in the rural Borneo Highlands.*

### Sara Ruane, PhD

Rutgers University

Thursday, April 23<sup>rd</sup>, x-period, Room 170 LSC

*TBA (reptile systematics and evolutionary biology)*
