The following is UCA's Purple Circle Policy Statement:

1. UCA's athletics policy on non-school organizations supporting the Athletics Department will be:
  - a. The NCAA requires that the University of Central Arkansas have complete control over all funds being given to assist the school's athletic programs and be coordinated with the Athletics Department's budget. Expenditures from this fund will be used by the athletics office for athletic purposes.
  - b. The institution must remain in control of its destiny, and local organizations have no authority to act on their own, other than in those instances specifically authorized by the university.
2. The objectives of UCA's Purple Circle are:
  - a. to assist in the planning and implementation of the Purple Circle's annual fund drive;
  - b. to create better understanding and support of UCA's athletic programs;
  - c. to encourage athletes and non-athletes to attend UCA; and
  - d. to help obtain some goals for the Athletics Department that could not otherwise be accomplished without outside aid.
3. The Purple Circle will have its own slate of officers which will consist of president, vice president, and secretary.
