

A Structured, Unique Experience for You

We need driven, insightful individuals to make a difference as part of our organization — one of the nation's 40 largest brokers. This is the opportunity you've been waiting for to work with businesses and individuals across diverse industries to create visionary solutions.

What We'll Give You:

- Competitive Pay
- Real-World Experience
- Supportive Environment
- Opportunities to Learn from Niche Specialists

What We're Looking For:

- Recent College Graduates
- Demonstrated Leadership Ability
- Excellent Communication and Organizational Skills
- Demonstrated Interpersonal Skills
- Excellent Computer Skills, Including Word® and Excel®
- Preferred GPA of 3.0 or Higher

The Commercial Lines Training Program provided me with a strong foundation for a future in the insurance industry. As a recent graduate, I had hoped to find a job that would help me gain working experience that could be developed into a successful career. This program not only provided me with that experience but also fostered lasting relationships with my peers in the program and my colleagues within BXS Insurance. By participating in this training program, I feel that I have developed the knowledge and confidence required to excel in my future with BXS Insurance and the industry as a whole.

- Reid H., Associates Class of 2018
