HCJ CPAs & Advisors is seeking an Audit Intern to work 20-25 hours in our Little Rock office during the fall semester.

The basic requirements for an intern include general concepts of tax and audit, reliability, work well within a team, and be able to work independently.

GPA of 3.0 or higher (in major and overall) preferred.

Previous experience or internships in a public accounting firm performing audit or tax work is a plus.

Paint Your Career Path and Picture Yourself at HCJ

HCJ is more than your typical accounting firm. While others may see the accounting industry in black and white – we see it in color. There's no standard solution for our clients. We don't just check the box and move on.

For more than three decades, we have provided high-quality accounting, tax, and audit services. We attribute our long-standing reputation for excellence to the talent, integrity, and professionalism of our team members – and we pride ourselves on being a fun and challenging place to build a career.

Not only do we seek people with technical accounting expertise and an innovative spirit, but we look for those who are friendly, approachable, and have great people skills.
