

INCLEMENT WEATHER POLICY

HPER Center Inclement Weather Policy

The HPER Center is included in the essential facilities and services of the university. Therefore, when classes are in session and the campus is closed or classes are cancelled the HPER Center will continue its operation with abbreviated hours. When classes are not in session and the campus is closed the HPER Center will **NOT** open.

The HPER Center inclement weather policy is directly linked to the university decision regarding inclement weather. UCA decisions regarding class cancellations or campus closing are generally made by 5:30am and those decisions would be announced:

1. The university's web page (www.uca.edu) via UCA TODAY.
2. Local and regional radio stations (FM 107.7, 102.9, 102.1, 98.5, 100.7, 96, 91.3, AM 920 KARN, 1230 KCON).
3. UCA Channel 6 and state television stations in Little Rock (ABC – Channel 7, NBC – Channel 4, and CBS – Channel 11)
4. Recorded messages at the university's telephone phone number: (501) 450-5000.

HPER Center Inclement Weather Policies may change due to changing weather conditions so we strongly encourage Students/Faculty/Staff to check our website, HPER Center Face Book page or call the Front Office number (501) 450-5712 for recorded last minute changes to our hours of operations during severe weather conditions.
