

February 2026

Dear Faculty, Staff & Alumni:

PLEASE SAVE THE DATE!

FACULTY & STAFF GOLF TOURNAMENT: Monday, MAY 4, 2026 at Nutters Chapel Golf & Country Club

8:00 am check in breakfast and range balls (7 iron and under only on the range)

8:30 am Shotgun Start

12:30 pm to 1:30pm Lunch, awards ceremony

\$75.00/person: Teams of 4 (\$300.00)

The Department of Campus Recreation and Wellness is excited to offer the 9th Annual Faculty and Staff Golf Tournament. We had 6+ teams for the 8th annual tournament in 2025 and we would really like to increase those numbers this year. Event promotional materials and registration forms will follow within the next month.

The format has changed with hopes to increase participation. We will have **three** different flights that will be a 4-person scramble or captain's choice as it is also known. The first flight "**UCA Flight**" will be a team that must be made up of **2** faculty or staff. You are allowed to have **two** guests on the team. The second flight "**Open Flight**" will be a team that must have at least 1 faculty or staff. You are allowed to have 3 guests on the team. The purpose of the guest is to invite community or business people that you have a working relationship with. This will give you an opportunity to interact outside of work and allow them to meet other UCA employees. The third flight "**Alumni Flight**" will be a team that must have all 4 players as graduates of UCA. All faculty or staff players could either be retired or current employees. No player can be a current collegiate or professional golfer.

If we are unable to get a minimum of 4 team per flight, we will combine the flights.

What you will get for your entry fee:

- Round of Golf and Cart
- Breakfast and a Lunch Award Ceremony
- Drinks
- T-shirt
- Grab Bag w/promotional items
- Award for 1st place for each flight (more places if we get enough sponsors)

You will be able to purchase a raffle ticket for door prizes if we are able to obtain any. We will also be selling mulligans for \$5.00 each max 2 per person. You will have a chance at a closest to the pin prize and/or a longest drive prize thanks to our sponsors. All proceeds will go into the Campus Recreation Foundation Account to be used for student employee development.

The entry deadline is **Friday, April 24th**. This is to allow ample time for event shirts to be ordered. So, get your fellow hackers and put a team together for the 9th Annual Faculty and Staff Golf Tournament.

See you on the links!
