

Small Business Highlights

November 17 from 2:30 - 3:30 p.m. via Zoom

Introduction

“Small Business Highlights” will showcase small businesses across Arkansas who have continued to thrive during the COVID-19 pandemic. Each representative will share an overview of their business, how they have adjusted during the pandemic, any innovative or creative ways they are engaging and marketing to customers, any additional safety protocols they have in place to make shopping safe, and plans they have to keep momentum during the holiday shopping season.
