

At the Community Development Institute (CDI) we provide our participants with the training they need to create communities with robust economies, a flourishing quality of life, and diverse and engaged citizen leaders. CDI 2022 is the 37th Community Development Institute, and serves as an opportunity for organizations to reaffirm their commitment to training that leads to healthy and vibrant communities.

The University of Central Arkansas sponsors a significant portion of CDI. However, there is still a need for additional sponsorships to assist in the overall support of CDI. Opportunities to sponsor the 2023 institute are now available. These sponsors will be recognized throughout the institute so that the community leaders who attend will know who helped make CDI possible.

YOUR INVESTMENT WILL:

- Impact communities across the Mid-South
- Build leadership capacity for community and economic development
- Demonstrate a commitment to progress and growth
