

Hybrid Delivery Consultation Model

All course delivery is done 100% online. Instructors can meet with small groups of students in-class on a regular basis. The group sizes can be determined by the faculty while maintaining safety guidelines.

PROS:	CONS:
Allowed to help students through small roup interactions	 No in-class instruction More up-front class preparation All assessments would be done online

What Instructor Sees				
Student Group	Session 1	Session 2	Session 3	
Group A				
Group B				
Group C				
Group D (Online Only Students)
