A Message from the Dean

It is always a pleasure to share the accomplishments of our students, alumni, staff and faculty. This issue also contains information about the opening of the Nabholz Center for Health Simulation. I hope you enjoy reading about the Significant and Important Good News (SIGNs) from the College of Health and Behavioral Sciences.

Best wishes always and thank you for your support,

Jimmy H. Ishee, Dean

The mission of the College of Health and Behavioral Sciences is the enhancement of the health and well-being of the public through the preparation of professionals, the development and advancement of knowledge, and service to its constituencies.

UCA Hosts Grand Opening for Nabholz Center

The University of Central Arkansas hosted a grand opening for the Nabholz Center for Healthcare Simulation and unveiled a donor wall in the Doyme Health Sciences Building on Friday, December 9, 2016.

The donor wall on the first floor of the Doyme Health Sciences Building features the names of individuals and organizations that have contributed to the College of Health and Behavioral Sciences with endowed gifts and scholarship support. The Nabholz Center for Healthcare Simulation is on the second floor of the same building.

“Our hope is that this new center will expand the educational opportunities for our students and better prepare them for the future,” said Charles Nabholz, chairman emeritus of Nabholz Corporation.

Nabholz was the first to illuminate the 12’ by 5’ donor wall, which prominently features the Nabholz Charitable Foundation for their \$500,000 gift in support of the simulation center, as well as the names of Elizabeth Blankenship, Ashley Blankenship and Gretchen Humpreys for their family donation, Arkansas Sen. Jason Rapert, Conway Regional Medical Center and others.

“In addition to the generous gift from Nabholz, we also express our thanks and appreciation to Elizabeth Blankenship, a UCA alumna, and her family for their gift to equip a laboratory in the center, to State Senator Jason Rapert who allocated part of his General Improvement Funds for technology in the center, and for the continuing support of Conway Regional Medical Center for its continuous and faithful support of our nursing and health care professions at UCA,” former President Tom Courtway said.
