SUBMIT YOUR ABSTRACTS FOR THE 2024 REACH INTERACTIVE SESSIONS

This year's theme is "Welcome Back to IPE" taking the next steps to improve interprofessional education and practice.

Deadline for Submission is February 9, 2024

Please submit your abstract to chadl@uca.edu

The **Interactive Sessions** are active forums intended to facilitate the exchange of ideas and build collaborations. These sessions should be interactive and may consist of presentations that incorporate workgroups, demonstration of an IPE activity followed by an implementation Q&A session, collaborative project proposal and brainstorming sessions, or other means of providing interactive and collaborative learning sessions.

Submission:

- Abstracts should not exceed 3,125 characters, including spaces.
- Abstracts from an interprofessional team will be given priority.
- Details should be provided on how the session will be interactive for participants.
- All abstracts must be submitted electronically and will be peer reviewed.

The following information must be included with your submission, but will not count toward the character count:

- References
- Presenter/Author(s) Information including:
 - Profession and credentials
 - Contact information
 - Affiliated institutions
 - City and state
