COLLEGE OF NATURAL SCIENCE and MATHEMATICS
Minutes of Council of Chairs Meeting - February 4, 2019

Agenda Items:

1. A team from University Marketing and Communications updated council on available services and how to request them.
2. Minutes from January 28, 2019 meeting were approved with minor revisions.
3. Dean Addison asked chairs to turn in their position requests for new and replacement faculty by February 18th.
4. Dean Addison asked chairs to turn in their capital requests by February 25th. Discussion followed on priority needs such as new seating in all our large classrooms.
5. Dean Addison reported that the Provost Town Hall meeting went well and that a recording of the meeting is available for those who were unable to attend.
6. Dean Addison led a general discussion on ongoing issues in our college including meta majors, Math Pathways, pre-requisites, student success, and supplemental instruction.

Other Items/Announcements

• Ginny Adams reminded council that several scholarship and award application deadlines are approaching.
• Ginny Adams announced that the Girl Power in STEM volunteer form is now open and asked that council encourage students to sign up.
• Dean Addison updated council on the Honorary Degree policy and asked that council be thinking of people we could nominate. The deadline is March 25th.
