-----------------------------	---

Rates are all based on normal business hours. Direct Cost expenses may increase for times other than normal business hours. Please contact the appropriate office for an estimate.

*Other fees may apply...i.e....Technical, Service, Cleaning, and Security

Fee adjustment forms for the Student Center are available in the SC Scheduling and must be submitted at least six (6) weeks prior to the event. Adjustments are examined on a case-by-case basis. For the Student Center and Ida Waldran Auditorium, during the regular school year (August 15-April 30), fee adjustment requests are routed through the Student Center Board, who will recommend approval or not for an adjustment, with an appeal process to the President's Executive Council. The decision of the President's Executive Council is final.
