  - a. Wake moves to approve, Lucas seconds. No discussion.
  - b. Approved unanimously, save one abstention.

    - i. Undergraduate Placement Proposal
      1. Sub-committee recommends approval, Watson seconds. No discussion. Approved unanimously.
    - ii. HIST 4307
      1. Confusion abounds. Lucas could not locate the proposal, so instead considers HIST 4195. But 4195 has already previously been considered, and approved. So what of 4307? Held knows where it is located. Held knows because the google drive was organized flawlessly by Held himself. But Lucas, not being privy to the inner workings of Held's mind – thankfully – was unable to divine the logic of the google drive. Regardless, the proposal for 4307 cannot be considered. The proposal will be considered next month. All is right once more.
  - b. New items distributed:
    - i. Info Item: BIOL 4195
- IV. Adjourn: Next meeting is March 1<sup>st</sup>, 2022
