

## Agenda

### UCA Core Council

Tuesday, September 1<sup>st</sup>, 2026

1:40 pm (x-period), CoB 100

- I. Welcome Back – Overview of this Academic Year
- II. Moratorium
  - a. Time to lift it, in part: We have rubrics, so we can process requests. Open the UD Core fully. Keep the LD Core closed until the LD Core redesign is complete, then open an expedited review process for people needing to adjust to the new structure.
- III. Curriculum Review subcommittee
  - a. Staff it: Volunteers?
- IV. FYS and FYS Advisory committee update
- V. LD Core Revision
  - a. Update from summer
  - b. Viable plans: two seem workable
  - c. The plan moving forward
    - i. Choose one plan as our preference (all plans are in the shared drive); I included the two noted at V. b.
    - ii. Share with campus and solicit feedback
      1. Survey
      2. Townhall style meetings by college. (I am requesting that college reps approach and address colleagues before hand and attend the meeting to assure the concerns are represented.)
      3. Ideally these are completed by our November meeting allowing us to discuss the issues. We will vote and select a new LD Core at our December meeting. (We may add meetings if necessary to guarantee this is done on time.)
- VI. Additionally,
  - a. Associate Provost Boniecki will be addressing the Core Council during the October 6<sup>th</sup> meeting regarding HLC.
- VII. Adjourn: Our next meeting will be October 6<sup>th</sup>.
