

WHAT TO DO IF YOU ARE

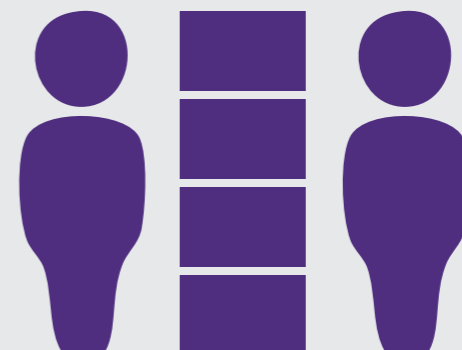

LIVING IN CAMPUS HOUSING

AND

TEST POSITIVE FOR COVID-19

1 **CALL THE STUDENT HEALTH CENTER** at (501) 450-3136 to report your positive test. A trained health care worker will assist you with the next steps. If you were not diagnosed by the Student Health Center but desire to receive your medical care there, you should indicate that on this call.

2 **THE ARKANSAS DEPARTMENT OF HEALTH WILL CALL YOU** with detailed instructions regarding proper isolation protocols. A thorough contact tracing interview will be conducted, and each positive case will be followed until the person is considered recovered from the illness.

3 **IF YOUR TEST WAS ORDERED BY ANY ENTITY OTHER THAN THE STUDENT HEALTH CENTER,** you must still notify the Student Health Center of your positive test, even if you have already been contacted by the Arkansas Department of Health.

4 **NOTIFY YOUR INSTRUCTORS** that you have been advised to remain off campus until released by your medical provider.
