

WHAT TO DO IF YOU ARE

FACULTY OR STAFF

AND

A CLOSE CONTACT TESTS POSITIVE FOR COVID-19

1 **THE ARKANSAS DEPARTMENT OF HEALTH WILL CONTACT YOU** to inform you that you have been identified as a close contact of an individual who has tested positive for COVID-19.

2 **THE ARKANSAS DEPARTMENT OF HEALTH WILL GIVE DETAILED INSTRUCTIONS** concerning how long you should remain in quarantine and will follow you daily until the quarantine requirement is fulfilled. You should follow all instructions and should not return to campus until released from quarantine.

3 **THE STUDENT HEALTH CENTER WILL PROVIDE MEDICAL CARE** to you via telehealth if you desire, but you are not required to notify the Student Health Center about your quarantine status.

4 **NOTIFY YOUR SUPERVISOR** that you have been placed in quarantine by the Arkansas Department of Health and have been instructed to remain at home until your quarantine is completed.
