

WHAT TO DO IF YOU ARE

FACULTY OR STAFF

AND

TEST POSITIVE FOR COVID-19 BUT WERE NOT DIAGNOSED AT THE STUDENT HEALTH CENTER

1 **UPON TESTING POSITIVE FOR COVID-19, YOU SHOULD NOT RETURN TO CAMPUS** and should remain in isolation until designated as *recovered* by the Arkansas Department of Health. You are encouraged to follow the advice given by the medical provider who diagnosed and is managing your illness.

2 **NOTIFY YOUR SUPERVISOR** that you have been placed in isolation for health reasons and have been instructed to remain at home until released.

3 **YOU WILL BE CONTACTED BY THE ARKANSAS DEPARTMENT OF HEALTH** and will be given detailed instructions regarding proper isolation protocols. The Arkansas Department of Health will follow you until you are considered *recovered* from the illness. They will also conduct a thorough contact tracing interview.

4 **YOU ARE NOT REQUIRED TO NOTIFY THE STUDENT HEALTH CENTER OF YOUR POSITIVE COVID-19 DIAGNOSES.** However, if the Arkansas Department of Health does not contact you within 24 hours, you may call the Student Health Center at **(501) 450-3136** for advice regarding proper isolation protocols and contact tracing if you desire.
