Faculty/Staff:

As we prepare for the phased return to work, all employees must sign the attached Return to Work on Campus Agreement prior to physically coming to work. If you are already working physically on campus, please sign this agreement during your next scheduled work day.

Once signed, return the form to your supervisor. Supervisors are responsible for collecting these forms and maintaining them for departmental records.

If you have any questions regarding this agreement, please contact humanresources@uca.edu.

Thanks!

Graham
