

# STAIRWELLS

- Recommend users wait on stair landings until others pass by to avoid overcrowding.
- Recommend avoiding direct contact with the handrails, if possible. Otherwise, a cloth or similar item should be used, if available.
- Recommend washing hands or using hand sanitizer upon exit.
- Maintain a minimum six-foot distance from other people.
- Face coverings are required when in enclosed spaces.

Recommendations based on information provided by the Arkansas Department of Transformation and Shared Services Division of Building Authority.
