

WHAT TO DO IF YOU ARE A

# STUDENT

IDENTIFIED AS A **CLOSE CONTACT** OF SOMEONE WHO TESTS POSITIVE FOR COVID-19

1

**YOU ARE REQUIRED TO QUARANTINE.**

If you live in university housing and want to stay on campus, you **MUST** be moved to quarantine housing. You cannot remain in your assigned university housing during quarantine. If you live off campus, you may quarantine at your residence.

2

**YOU ARE REQUIRED TO EMAIL THE UCA CONTACT TRACING TEAM**

at **covid19@uca.edu** to inform them that you have a close contact that has tested positive. They will assist you with the quarantine process. If you have already been contacted by the UCA Contact Tracing Team, sending an additional email is not necessary.

3

**THE UCA CONTACT TRACING TEAM WILL ISSUE YOU A QUARANTINE LETTER.**

You may receive a second call from the University of Arkansas for Medical Sciences (UAMS) to follow up on your quarantine process.

4

**NOTIFY YOUR INSTRUCTORS**

that you have been placed in quarantine in accordance with Arkansas Department of Health regulations. Email your instructor the quarantine letter if the instructor has questions or requests proof of your status.
