

WHAT TO DO IF YOU ARE A

FACULTY OR STAFF MEMBER

IDENTIFIED AS A **CLOSE CONTACT** OF SOMEONE WHO TESTS POSITIVE FOR COVID-19

1

YOU ARE REQUIRED TO QUARANTINE.

Even if you have not yet been contacted by the Arkansas Department of Health, if you are aware that a close contact has tested positive, contact a medical professional and **do not come to work**. You may contact the Student Health Clinic at covid19@uca.edu for quarantine guidance, if needed.

2

THE ARKANSAS DEPARTMENT OF HEALTH should call you within a few days to make sure you are aware of your potential exposure and advise you on next steps.

3

INFORM YOUR SUPERVISOR that you have been placed in quarantine in accordance with Arkansas Department of Health regulations.

4

DO NOT COME BACK TO WORK until the quarantine period set by the ADH is over.
