

Dear Student,

As indicated in President Davis's email to campus, we are in the process of determining student eligibility to receive federal funding due to COVID-19. We are not able to determine your eligibility because there is no indication of your citizenship status on file.

If you would like to be considered for these funds, you will need to document your status with the UCA Registrar's Office by providing appropriate documentation. Once submitted, your eligibility will be determined and if eligible, you will be notified by the UCA Student Accounts Office by email.

To document your citizenship status, you will need to contact Becky Rasnick, the UCA Registrar. The best way to reach her is to send an email (rebekahr@uca.edu) with documentation of your legal status to reside in the U.S. Acceptable documentation may include a birth certificate, passport or a permanent resident card. Please make sure to have the subject of CITIZENSHIP REVIEW in your email.

Thank you.
