

Dear Student,

Two weeks ago you were notified that we are unable to determine your eligibility for the Coronavirus Response and Relief Supplemental Appropriations Act Payment. At this time, we have not received your documentation to determine your citizenship status.

If you would like to be considered for these funds, you will need to document your status with the UCA Registrar's Office by providing appropriate paperwork. Please submit your documentation by February 22nd if you wish to be considered for funding. Once submitted, your eligibility will be determined and, if eligible, you will be notified by the UCA Student Accounts Office by email.

To document your citizenship status, you will need to contact Becky Rasnick, the UCA Registrar. The best way to reach her is to send an email (rebekahr@uca.edu) with documentation of your legal status to reside in the U.S. Acceptable documentation may include a birth certificate, passport or a permanent resident card. Please make sure to have the subject of CITIZENSHIP REVIEW in your email.

Thank you.
