UCA Students, Faculty, and Staff:

If you or someone you know is in search of a COVID-19 vaccine appointment, Conway Regional Medical Center is maintaining appointment opportunities on Wednesday, Thursday, and Friday of this week. Again, all citizens age 16 and above are now eligible to receive the vaccine.

Visit conwayregional.org/covid19vaccine to learn more about appointments and registration. If you have questions or need assistance, you can also call their Patient Navigation Center at 501-506-2747. You may also seek a vaccination appointment with other pharmacies and providers.

Houston Davis
President
