

UCA COMMUNITY MUSIC INSTITUTE SUMMER STRINGS CAMP

The UCA CMI Summer Strings Camp is a comprehensive week-long program for violin, viola, cello, and double bass players at the early to intermediate levels of instruction and beyond. The camp is primarily for 6th-12th grade students; students should have completed at least one year of private lessons or one year of orchestra before attending camp.

In addition to daily rehearsals, activities during the day will include master classes, a trip to Wild River Country, and much more.

The annual Camp Dance, Movie Night, and more activities will round out the fun to have in the evenings!
