

Spring 2025 SLMA/EDLP Advisory Board Agenda/Minutes  
March 20, 2025  
9:00a via Zoom

Agenda/minutes

1. Spring 2025 Program enrollment

|                                    | Post<br>Master's<br>Certificate | Masters | Education<br>Specialist |  | Total |
|------------------------------------|---------------------------------|---------|-------------------------|--|-------|
| Building admin                     | 10                              | 28      | 16                      |  | 54    |
| Curriculum<br>program admin        | 2                               | 2       | 0                       |  | 4     |
| District admin                     | 4                               | x       | 3                       |  | 7     |
| G/T program<br>admin               | 0                               | 0       | 0                       |  | 0     |
| Special education<br>program admin | 2                               | 0       | 2                       |  | 4     |
|                                    |                                 |         |                         |  |       |
| Total                              | 18                              | 30      | 21                      |  | 69    |

2. Recruitment

- Grant received for social media ads, ADE Summit booth, AAEA Conference booth
- Principal Biggs asked about support for candidates after graduation? Career Services offers Handshake platform, and program coordinator will look into other services that are offered and ways the program can support.

3. Recent program changes

- Removal of SLLA tests for licensure
- DESE Leadership Task Force
- Reworking of key assessments and internship

4. Upcoming changes to key assessments for accreditation

- Role of advisory board in providing feedback and validating key assessments

5. [Link](#) to visiting faculty position

6. Anything else?
