Nationwide Resources:

<https://www.feedingamerica.org/find-your-local-foodbank>

“Launched the COVID-19 Response Fund, a national food and fund-raising effort to support people facing hunger and the food banks who help them.”

<https://www.mealsonwheelsamerica.org/find-meals>

<https://www.savethechildren.org/>

“Our response includes training health teams worldwide on how to protect themselves and prevent further spread of the disease. We are also supplying the personal protective equipment and other supplies frontline health staff desperately need. In addition, we are protecting children and families that may be separated due to quarantine.
