INTENSIVE ENGLISH PROGRAM

Why Choose the UCA Intensive English Program?

UCA's IEP program is perfect for international undergraduate or graduate students applying for admission to a U.S. college or university who must first improve their language skills or any student who requires or desires further language preparation.

Since 1992, the IEP has been devoted to giving students the best instruction possible with highly trained, dedicated faculty who use the most up-to-date instructional techniques in the field of second language learning. After completing the program, most students begin their academic studies at UCA or other universities and colleges in the United States.

Our Program

- UCA's IEP has six levels of study from beginner to advanced.
- Each level is 8 weeks in length and classes meet 22 hours per week.
- Because each level is 8 weeks long, mid-semester entry is possible.
- Students take a test and are placed at the appropriate level during orientation.
- Students deepen their knowledge of Grammar, Listening & Speaking, Writing, Reading, and Vocabulary.
- No TOEFL score is required to exit the IEP for undergraduate students.
- Students regularly engage with international and American students on campus through classroom activities with international classmates, conversation partners, and on- and off-campus events.
