UNIVERSITY OF CENTRAL ARKANSAS™

# ABOUT THIS RESOURCE GUIDE

This guide will help you identify key campus resources that can help you succeed. The guide is compiled by the Graduate School and provides information on services and programs found across the UCA campus.

Support programs and services are broken down into four categories:

- **ACADEMIC** – includes advising services and other academic-support programs
- **FINANCIAL** - includes resources and services such as graduate assistantships and Student Research Funds
- **PERSONAL (Health & Wellness)** - includes services such as the Counseling Center and the HPER Center
- **SOCIAL (College Experiences)** - includes programs such as Student Life and Housing and Residence Life

## GRADUATE ASSISTANTSHIPS

GAs are graduate students. Duties may include teaching, research or administration, which helps develop career skills under the supervision of faculty and staff as a means to help pay for their graduate training. Graduate programs generally select GAs from their own student population. There are a number of nonacademic offices that support a limited number of graduate assistantships. A stipend is paid for services provided. In some cases, a tuition scholarship may also be awarded as part of the assistantship.

**[uca.edu/go/assistantships](http://uca.edu/go/assistantships)**

## SCHOLARSHIPS

Information on institutional, state and private scholarship awards can be found on the Financial Aid website. The UCA Foundation also offers privately funded scholarships. See [uca.edu/foundation](http://uca.edu/foundation) for information and an application. Other scholarship opportunities can be found by following the Office of Student Financial Aid on OrgSync.
