Internships

Matthews Land & Cattle Company: Fort Worth, TX

March 2024 to December 2024

- Organized hundreds of family documents into boxes to transport to an archival depository
- Scanned and organized thousands of documents and photographs into a digital database
- Provided metadata to help identify people, places, and events in photographs and documents for the digital database
- Organized an oral history project to interview family members and employees to ask them questions about their life experiences
- Responded to emails promptly and efficiently

Race and Reconciliation Initiative: Fort Worth, Texas

August 2023 to April 2024

- Researched information in newspapers and oral history interviews about the experiences of Black/Latino/a/Asian/Native American Texas Christian University (TCU) students from the years 1998 to 2020
- Helped communicate with team members of the project at weekly meetings to convey my thoughts and ideas about how issues with race converged with athletics from 1998 to 2020
- Wrote a chapter of the year four report for TCU's Race and Reconciliation Initiative on recent and related histories of the university's past
- Presented my findings verbally in a roundtable in front of the TCU public and administration and conveyed the importance of RRI work in this discussion
- Responded to emails promptly and efficiently with my boss and other team members
