

Apartment Condition Report/Damage Charges Revised 04/27/2017

Damages to apartments or apartment furnishings beyond the limits of reasonable wear will be charged to the occupants of the room. The Condition Report is provided for your protection against incorrect charges to your personal account. It will be assumed that any damage to your apartment or apartment furnishings that have not been noted on the Apartment Condition Report must have occurred while you were in residence. Of course, failure to properly complete the apartment check will make you liable for all repair and replacement cost. The following information will acquaint you with the charges to be levied for specific damages to apartment or apartment furnishings.

All repairs or installations must be completed by the UCA Housing Maintenance Department or by a licensed, insured, bonded, and UCA approved contractor. Due to licensing, insurance, and bonding requirements it is a violation of Arkansas State law for repairs or installation to be completed by the apartment occupants and/or a contractor that has not been approved by the Housing Office and or the UCA Physical Plant. The prices listed include materials, supplies, and labor or installation. These prices listed are estimates only and are subject to change without notice. The Maintenance Department reserves the right to charge more than indicated in special or extreme cases. All questions concerning apartment charges should be directed to the Housing Office, 450-3132, or the Housing Maintenance 733-3483.
