Students who fail to cancel this lease in writing by August 17, 2018 (January 7, 2019 for Spring applicants only) will be held responsible for the remainder of the lease charges. After the student has checked-in and received a key or after the meal plan associated with the lease has been used, this lease may only be canceled by the student for the following reasons: graduation, student teaching or academic internship, marriage, or military leave. For all other reasons, a student canceling this lease during the academic year must complete check-out paperwork with a RA, pay the \$425 lease buy out fee or the remainder of the full academic year charge (whichever is less) and forfeit the \$100 deposit. First-year students not approved for exemption will pay the remainder of the full academic year charge.

VII. Cancellation of the lease by the University

A. The University may cancel this lease and require the student to immediately vacate University Housing for the following reasons: (1) failure to meet financial obligations to the University; (2) official University disciplinary action; (3) failure to register for the required number of credit hours; (4) violation of the Student Handbook policies and procedures; (5) failure to maintain the student assignment in a safe and sanitary condition; (6) violation of the terms of this lease; (7) an emergency or casualty; or (8) if the student is a safety threat to her/himself or to others.

B. The University will deliver notice of cancellation to the student's residence and allow a minimum of eight (8) hours and a maximum of forty-eight (48) hours to vacate. Students will be held financially responsible for the remainder of the lease and be assessed the \$425 lease buy out fee.

C. If a student does not check-in to his or her assigned space by 5:00 pm on the first day of classes or notify University Housing of his or her late arrival, the University reserves the right to reassign the space to another student. The student will remain financially responsible for the remainder of the lease.

Cancellation of this lease could result in a \$425 lease buy out fee. I hereby contract for room and board accommodations with University Housing for the 2018-2019 academic year. I understand that the lease term begins on August 19, 2018, and ends at noon on May 3, 2019. My signature indicates that I have read and understand all the terms and conditions of this 2018-2019 Student Housing Lease and agree to comply with such terms and conditions. I also understand that this is a legal and binding lease between the University and student.
