Living in the residence halls or in other campus housing gives you the opportunity to make friends, get connected and have the true collegiate experience. Living on campus really makes college feel like home. Here at the University of Central Arkansas, our on-campus accommodations are comfortable, affordable and convenient.
Which Residential College is right for you?

Each Residential College has unique themes and special traditions, and each is associated with an academic college. Whether you are majoring or just interested in the arts or communication, science or technology, education or leadership, health and wellness, or business and innovation, you will be welcomed by faculty who teach in your areas of interest. Classes, programs, competitions, clubs, service-learning opportunities, camping and canoeing, and even lunches with college administrators will make your first year at UCA spectacular.
STEM is an acronym for Science, Technology, Engineering and Mathematics, and students considering routes such as pre-med or pre-vet live here because of the close academic relationship with the chemistry and biology departments. Opportunities for undergraduate research in the departments of biology, chemistry, computer science, geography and environmental science, mathematics, and physics and astronomy make STEM the perfect environment for ambitious students and self-professed geeks.

**BIZ AT BEAR HALL**
Associated with the College of Business, Biz@Bear Hall prepares students for the rapidly evolving business world. Ambitious students majoring or minoring in accounting, business, administration, economics, finance, insurance and risk management, marketing, management, management information systems, public scholarship and community engagement, or innovation and entrepreneurship will find the networking opportunities will benefit them far into the future.

**HPaW AT BARIDON HALL**
Short for Health Promotion and Wellness, HPaW gives students planning future careers in the health and behavioral sciences a place to explore their options in the departments of communication sciences and disorders, exercise and sport science, family and consumer sciences, health sciences, military science and leadership, occupational therapy and physical therapy, psychology and counseling, and the School of Nursing.

**The Stars AT SHORT/DENNEY HALL**
Students are the stars when living and learning in The Stars. Live music in the lobby, poetry slams and theatre performances on the courtyard stage, art exhibitions and digital filmmaking, and writing and communication make the environment thick with creative energy. If you are seeking inspiration for the novel you plan to write or looking to start a lobby band, then this is the place for you!

**EDGE AT HUGHES HALL**
EDGE (Educating for Diversity and Global Engagement) attracts open-minded students with a wanderlust for new experiences in learning. Studying abroad is central to the EDGE experience. With upcoming trips to London, Paris, Florence, Shanghai, Costa Rica and Rwanda, you will have a variety of adventures from which to choose. Plus, we’ll help get you connected to funding! If you are interested in teaching and leadership opportunities, while making a difference in the world, then this is the living environment for you.

**HONORS AT FARRIS HALL**
Farris Honors Hall exclusively houses students enrolled in the Schedler Honors College and University Scholars Program. Honors education at UCA seeks to develop public scholars whose skills as leaders empower them to fulfill their potential to transform themselves and their world. Student participants say that these programs have helped make their transition to college easier by connecting them with peers and faculty who care about their success, improving their grades by enhancing writing and critical thinking skills, and giving them a deeply rewarding educational experience.

**STEM AT ARKANSAS HALL**
STEM is an acronym for Science, Technology, Engineering and Mathematics, and students considering routes such as pre-med or pre-vet live here because of the close academic relationship with the chemistry and biology departments. Opportunities for undergraduate research in the departments of biology, chemistry, computer science, geography and environmental science, mathematics, and physics and astronomy make STEM the perfect environment for ambitious students and self-professed geeks.
Arkansas Hall is a three-story residence hall located near Christian Cafeteria and Estes Stadium. This coeducational community is open to freshman students of all majors. The hall features double rooms, community-style bathrooms and fully furnished community kitchen areas. Additionally, Arkansas Hall is home to the STEM (Science, Technology, Engineering and Mathematics) living and learning community.

Get to know UCA

UCA is a four-year regional, public, comprehensive university located in Conway. With campus just a 30-minute drive from Little Rock and nestled in the heart of Arkansas, students can experience city life while enjoying the quaint downtown feel of home. Conway is within driving distance of many state parks, has multiple biking and walking trails, and has a vibrant downtown with shopping, dining and entertainment for all.
Freshman Experience is geared toward students wanting the traditional college experience. Freshman Experience or First-Year Experience Halls are not associated with any one department on campus and concentrate on exposing students to college life. Resident assistant programs are not directed into one academic area; they are focused on the student. Freshman Experience Halls are a great way to get connected on campus, with numerous programs and activities focused on personal growth and navigating the new freedom college brings.

HOW TO APPLY

Applying for housing at UCA is easy! Simply follow the steps listed below to apply for housing and pay the deposit. Be sure to apply before Jan. 15 to participate in the room selection process.

1. APPLY ONLINE

   • Log in to myUCA at my.uca.edu.
   • Locate the “Housing and Residence Life” channel.
   • Click the button labeled “myHousing.”
   • Select the UCA Housing application from the drop-down menu at the top.
   • Follow the application instructions, and pay the $100 deposit.

2. ROOMMATE MATCHING

3. ROOM SELECTION (if you applied by Jan. 15)
Who is eligible for UCA Housing?
All full-time UCA students who are enrolled in at least 12 credit hours can live in UCA Housing.

When can I apply for housing?
You can apply for housing after you have been officially admitted to the university.

How much is the deposit?
All applications for housing must include a $100 deposit. The deposit is fully refundable if you cancel in writing by May 10. A 50% refund is available when you cancel in writing by July 10.

What's a lease?
The student housing lease is a nine-month academic year lease that outlines the terms and conditions of living in UCA Housing. If you choose to leave UCA Housing prior to the end of the lease, you forfeit your deposit and are subject to a $425 lease buyout fee.

What are the housing rates?
To learn more about our housing rates, please visit uca.edu/housing.

When will I know my housing assignment?
While this depends on when your application and deposit are received, we will post the first assignments on myUCA in May.

Do I have to live on campus?
All freshmen are required to live on campus during their first academic year. You may fill out a Freshman Residency Exemption Request if you meet any of the following criteria:

• You are 21 years old or older
• You are married
• You are currently enrolled in less than 12 credit hours
• You have completed 21 credit hours (non-high school concurrent)
• You are living with a parent or legal guardian and commuting to campus
• You have previously lived in a residence hall for two semesters

The request form is due by July 1 for fall and Dec. 1 for spring.
HEALTH AND SAFETY

Safety and Security
We provide you with a safe environment in which to live and learn. Residence hall exterior doors are locked 24/7, and you must be a building resident with card access to enter. Security cameras are located on all exterior doors of residence halls. Operation ID is a nationwide program that allows you to register items to help you easily recover property in the event of theft. Register your valuables online at ucapd.com. The UCA Police Department leads the way in creating a secure environment for students. Our 28 full-time sworn police officers provide around-the-clock law enforcement, public safety, emergency management and 911 call services to the UCA community. The department provides emergency notifications for weather or campus-related situations, motor assistance for dead batteries or keys locked in a car, and a security escort program to assist students across campus. Additionally, officers live on campus as part of the residential police program.

Student Health
UCA has several health services to give students peace of mind. The Student Health Clinic (SHC) is staffed by a physician and nurse practitioners, all with prescriptive authority. They diagnose, treat and monitor the needs of their patients. In addition to general family practice services, the SHC offers lab and X-ray work, as well as immunizations and a variety of procedures. The Women’s Health Clinic meets the needs of our female population. In most cases, the cost is covered through tuition and fees. UCA promotes health education through our Wellness Center, counseling services and the HPER Center. Counseling services are accredited and include programs for college adjustment, test anxiety, relationship concerns and depression.

SAFE@UCA
SAFETY APP

DOWNLOAD THE APP NOW AT UCA.EDU/GO/SAFE

App features include:

- Mobile bluelight
- Friend walk
- Emergency contacts
- Tip reporting
- Safety notifications
- Emergency plans
- Chat with security
- Campus safety resources
GETTING INVOLVED

Intramurals (residence hall division)
The purpose of the Intramural sports program is to provide an opportunity for every student at UCA to participate in some type of competitive sports activity as regularly as the student's interest, ability and time will permit. Intramural activities range from traditional sports such as flag football, basketball and slow-pitch softball to more nontraditional sports such as table tennis, badminton and track.

Resident Housing Association (RHA)
The Resident Housing Association at UCA is a chapter of the world's largest student-run organization. It is the voice for all students who live on campus. RHA facilitates campus-wide events that promote inclusiveness and fun. The organization offers leadership opportunities through regional, national and international conferences each year. RHA is about making new friends, getting involved on campus and gaining valuable résumé experience.

Beartegrity
Beartegrity is an organization dedicated to the students of the UCA community. It strives to educate UCA residence halls and campus about issues of diversity and social justice through entertaining and thought-provoking programs.

Registered Student Organizations
We have 200-plus student organizations on campus, so you're sure to find one that works for you.

Greek Life
Scholarship, leadership, brotherhood and sisterhood, community service and social activities are the key elements of the fraternities and sororities at UCA. There are currently 22 different organizations that make up UCA's diverse Greek community.
CAMPUS AMENITIES

UCA is home to one of the most beautiful campuses in the nation. Lush gardens adorned with seasonal flowers and billowing shade trees complement the Georgian-architectural style of campus buildings. On warm afternoons, students can be found studying, visiting with friends and listening to music around the beautiful fountain at Harding Centennial Plaza. The fountain and plaza area is one of Conway’s signature landmarks and is a popular location for campus events.

Torreyson Library
Students who prefer a quiet place to study often turn to Torreyson Library, which is complete with computers, reference materials, group meeting rooms for student projects, 24-hour study center and an on-site Starbucks.

Student Center
The student center is located in the center of campus and is where you can go to enjoy activities such as movie nights, guest speakers and musical performances. It is also the home to the university bookstore, post office, convenience store, coffee shop, ATM, study lounges and food court.

Health and Fitness
Students who like to stay active visit the Health, Physical Education and Recreation (HPER) Center. The HPER Center is a 115,000-square-foot recreation center with basketball, volleyball and racquetball courts, a track, pool, exercise class studios and a fitness center complete with a full slate of cardio and strength-training equipment. Students can also get in touch with nature and take a jog along the gravel trail through the Jewel Moore Nature Reserve, located just outside the HPER Center.

The Arts
The Baum Gallery inside McCastlain Hall is an educational art museum that serves as a cultural resource for the state. The gallery participates in national and international touring exhibitions and programs and curates original exhibits. When world-class dance troupes, plays and musicians come to campus, they perform at Donald W. Reynolds Performance Hall. UCA students receive free or discounted tickets to many of these performances.
Dining Options

Diverse Choices
Campus dining provides an array of options and menus that can tempt any palate, and our dining service staff is committed to providing a quality program to students.

When hunger strikes, Christian Cafeteria is a great place to go. Three meals a day are served Monday through Friday from a variety of stations that offer culturally diverse menu selections such as pasta, pizza, grill and deli options, all-day breakfast, traditional favorites, ethnic dishes, fresh market fruits and veggies, local selections and more. The cafeteria accommodates special dietary needs, provides vegan and vegetarian options and offers individual support for those with food allergies. The cafeteria serves brunch and dinner on weekends. There are many other on-campus dining options as well. From pizza to sushi, we’ve got you covered all over campus. Enjoy dining choices like Quiznos, Chick-fil-A, Mooyah, Pizza Hut and Einstein Bros. Bagels.

Meal Plans
Student meal plans are designed to suit your needs. All students living in on-campus housing are required to have a meal plan. For information regarding dining rates, please visit uca.edu/housing/campus-dining. All of these meal plans come with Dining Dollars. There are three basic types of meal plans:

Traditional
You choose the number of meals per week you want to eat in the cafeteria during the semester. There is also a Total Access Plan where you can go the cafeteria as many times as you like.

Block
You receive a set number of meals for the semester. These meals can be used in the cafeteria or through the meal equivalency options at other dining locations. Block plans expire at the end of each semester. Meals don’t roll over.

Dining Dollars
These plans are only available to those students living in Donaghey Hall, UCA apartments and Greek Village. You have a set amount to spend for the semester. Each purchase you make at any of our food service locations is deducted from your starting balance. Dining Dollars expire at the end of summer session II and are nonrefundable.
Students with disabilities may need housing and/or dining accommodations due to the impact of their disability. The Disability Resource Center (DRC) collaborates with Housing and Residence Life to meet the on-campus housing needs of students with disabilities.

Housing and dining accommodations must be reasonable, relate to the impact of the disability and address functional limitations. DRC, Housing and Residence Life and Dining Services work closely together to ensure accommodation needs are met for students with disabilities living on campus. In order to begin the process of requesting a housing/dining accommodation, the following procedures have been established:

1. Submit a new student registration online with the DRC office. When filling out the online registration, please be detailed in your request by completing the additional note or comment section at the bottom of the application. Please detail disability-related limitations and accommodations needed.

2. Obtain documentation from a qualified health or other provider in support of your requested accommodation. Documentation should include the diagnosed disability and functional limitations, along with recommended accommodations. Note: If the request is for an emotional support animal, see further details at uca.edu/disability.

3. Submit both the online application and documentation to the DRC. You can upload documentation to your registration application online. If you do not have documentation at the time of online application, you can email, fax, mail or drop it off in person to the DRC.
