

Logging Into Your Flex Account Is As Easy As 1-2-3!

Go to www.datapathadmin.com, choose "Register For Online Account Access" in the left-hand column, then click on:

1. Enter your Login ID

Enter your temporary Login ID (Social Security Number with no dashes) in the field below.

2. Enter your Employer Code

After initially logging in, you will be prompted to enter your eight-digit Employer Code. After the Employer Code is entered, an prompt will appear asking for your email address. This email address will be used to verify your presence in the system and also to send your password to you.

Your Employer Code is:

The system will lead you through a series of intuitive steps to set up a permanent Login ID of your choice.

DataPath
Administrative Services

Logout

Step 3: Set up your new Login ID

Thank you for logging into myRSC.com. For your benefit, our system requests that you create your own Login ID for further use. Due to restrictions within the system, the Login ID must be minimum 6 characters and maximum 100 characters in length, but never 9 characters in length. Alphanumeric (a,A thru z,Z), numeric (0 thru 9), and some special characters (" ", "@", "_", and "-") [Quotes not included] are allowed.

1. Enter a Personal Login ID:
2. When I have forgotten my password, please send my password to this E-mail Address:
3. During the Forgot Password process, you will be asked your Secret Question and you must answer with your Secret Answer.
 Enter my own Secret Question Use a predefined Secret Question

Secret Answer:

3. Change your Login ID & Password

You will then be asked to enter a permanent Login ID and Password. Choose something that is easy to remember. After submitting your new Password, you will automatically be taken to your site.

If you have any problems, please contact your benefits administrator.
