Once you log in, you are on the Home page. This page lists all available options you have on the mobile site:

Account Summary

When you select the **View Accounts** option, the page displays only the benefits for which you are subscribed. (Your display may look very different than the screen shot pictured here.) Select the benefit you wish to view to see unresolved transactions, benefit summary data, and details of claims and reimbursements.

Card Activity

The **Card Activity** page gives you the option to view the transaction details or account details of your debit card.

Selecting View

Transaction Detail takes you to the **Transaction Overview** page. Select the month and year for the card activity you want to view. Only the transactions for the month and year you choose will be displayed. Clicking on a particular transaction lets you see the details of that card swipe.

Selecting View

Account Detail lists all cardholders on your plan. You can then select the person's name and see the account details associated with that card. You also have the option of blocking a card.
