EMPLOYEE ENGAGEMENT & ENRICHMENT

FEBRUARY'S UNSUNG HERO IS..... ROBBY BURTON!

Robby has worked at UCA for 23 years. In his position as ***Art and Design Program Coordinator***, he "has many opportunities to work one on one with art students, directing or assisting them with their creative projects." He says it's "very rewarding seeing students succeed with expressing themselves through art."

Robby is a proud father of 7 children & "Pops" to 7 grandchildren. He owns a screenprinting business that has kept him busy the last 20 years!

Robby plays competitive cornhole & actively volunteers at his church. He has helped with their youth program and Boy Scouts. As an Eagle Scout, he feels the responsibility and honor to help young men progress through the program and attain their own Eagle rank!

Robby is a UCA alum and during his time here, he has tried to make a difference in the Art department by encouraging students to stretch themselves & think outside of the box. In his own words, "I have witnessed UCA change and evolve over the many years I have been part of it. It is always changing for the best. I am excited to see where the future takes us. Go Bears!"
