

September 2024 Newsletter

This month's Unsung Hero is.....Dewayne George!!

Dewayne, Associate Director of Housing Facilities, has worked at UCA for 10 years.

Dewayne works with and oversees a team that completes work orders and construction projects in the residence halls. He enjoys the people he works with and engaging with the students and Housing staff in the buildings. He also enjoys the challenges as he ensures students' housing needs are met.

When Dewayne is not working he loves to fish and hunt!

Dr. Stephanie McBryer states - *"I would love to acknowledge Dewayne George! He oversees ALL of the Housing projects over the summer and summer transitions for summer housing and summer camp operations. His work contributes greatly to UCA!"*
